## Feature Introduction

- Suitable for smartphones, cameras, camcorders, tape recorders, computers and other audio/video devices.
- Lavalier microphone recording device
- Omnidirectional condenser microphone
- 3.5mm Monitoring port
- Built-in rechargeable lithium battery

## Caring For Your SYNCO Lav-S6M Microphone

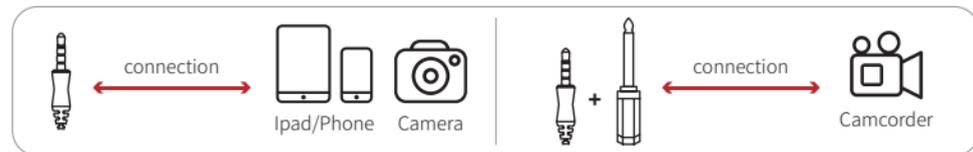

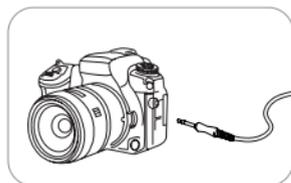

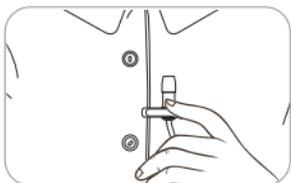

- Please keep the product in a dry, clean, dust-free environment.
- Keep corrosive chemicals, liquids and heat source away from the product to prevent mechanics damage.
- Use only a soft and dry cloth for cleaning the product.
- Malfunction may be caused by dropping, impact of external force.
- Do not attempt to disassemble the product. Doing so voids warranty.
- Please have the product checked or repaired by authorized technicians if any malfunctions happened.
- Failure to follow all the instructions may result in mechanics damage.  
Warranty does not apply to human errors.

## Operations

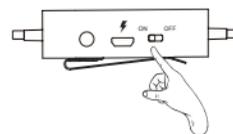

### 1. The Use of Microphone

- Clip the lavalier mic on your clothes, then plug the 3.5mm connector into a recording device, such as smartphone/ tablet, or camera (using 3.5mm-6.3mm adapter).

(Note: For Apple devices, iPhone 6 and predecessors can use 3.5mm connector directly, iPhone 7 and subsequent devices require Apple's Lighting adapter. Some of Android devices can apply the microphone with a Type-C adapter.)

- Turn on the microphone through ON/OFF Button.

- Open the audio or video recording application on your smartphone or camera, then begin recording.  
(Note: Android devices need the third-party applications to operate the microphone.)

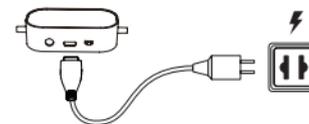

### 2. 3.5mm Monitoring Port

A 3.5mm Audio Output Port is designed for monitoring. Plug headphone or other playing equipment into this port, you can start monitoring the recording effect.

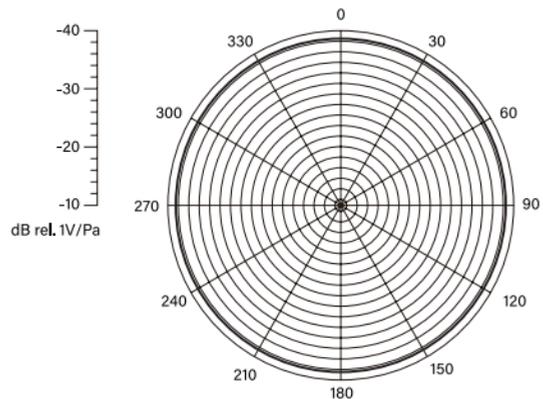

### 3. How to Charge the Mic

With built-in rechargeable Lithium battery, SYNCO Lav-S6M microphone can get full charge through a USB charger.

## Specifications

### 1. Polar Pattern: Omni-directional

### 2. Performance Parameter

Model	Lav-S6M
Transducer	Condenser
Polar Pattern	Omnidirectional

## Warranty

### Warranty Period

Thank you for purchasing SYNCO products.

1. Customers are entitled to free replacement or repair service in case of quality defect(s) found in the product under normal use within 30 days upon receipt of the product.
2. Original SYNCO products are entitled to **12-month** limited warranty service. The warranty period begins on the date of purchase of brand new, unused products by the first end-user.

Within the warranty period, if product defect or failure is attributable to material deflection or technological problem, the defective product or defective part will be repaired or replaced without charge (service and materials fee).

### Warranty Exclusions and Limitations

- Faults resulted from inappropriate use of a product without following its operation specification
- Artificial damage, e.g. crash, squeeze, scratch, or soaking
- Modifications to a product by its user or a third party without prior written consent of SYNCO, e.g. replacement of element or circuit, label alteration
- The code on product is inconsistent with that of warranty certificate, or the code on the product or warranty certificate is altered or torn off
- All consumable accessory attached to a product, like cable, wind muff, battery
- Faults as a result of force majeure, such as fire, flood, lightning, etc.

### Warranty Claim Procedure

- If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact SYNCO's customer service through email at [support@syncoaudio.com](mailto:support@syncoaudio.com).
- Please retain your sales receipt and warranty certificate as proof of purchase. If any of these documents is missing, only sales return or chargeable service will be provided.
- If the SYNCO product is out of the warranty coverage, the service and the parts cost will be charged.
